

Hymn of Heaven

Brian Johnson, Phil Wickham, Chris Davenport, Bill Johnson

Key of C
70 BPM in 4/4

Verse 1:

How I long to breathe the air of heaven
Where pain is gone and mercy fills the streets
To look upon the One who bled to save me
And walk with Him for all eternity

Chorus 1:

There will be a day when all will bow before Him
There will be a day when death will be no more
Standing face to face with He who died and rose a-----gain
Holy, holy is the Lord

Verse 2:

And every prayer we prayed in desperation
The songs of faith we sang through doubt and fear
In the end, we'll see that it was worth it
When He returns to wipe away our tears (> Chorus 1)

Verse 3:

And on that day, we join the resurrection
We stand beside the heroes of the faith
With one voice, a thousand genera--tions
Sing worthy is the Lamb who was slain (2x)
Forever He shall reign
