## VERSE 1:

In the landscape of my life  
You don't rush through any season  
You always take Your time  
A careful hand, a gentle guide  
You take what's dead away  
And You prune what's running wild

## CHORUS (2x):

So be the gard'ner of my heart, tend the soil of my soul  
Break up the fallow ground, cut back the overgrown  
And I won't shy away, I will let the branches fall  
So what You want can stay and what You love can  
Gr---o-----ow, Gr---o-----ow

## VERSE 2:

Through the winter I'm still alive  
What You've planted in the dirt  
Is ever reaching to the light  
You prepare me for darkened times  
You'll sustain what You have started  
And You'll teach me to abide

## BRIDGE (2x):

I'll remain in You, You'll remain in me  
And I will trust Your tim--ing  
I'll remain in You, You'll remain in me  
From the start until the end--ing
