

I can't get enough, No, I can't get enough  
Of Your amazing love, No, I can't get enough

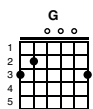

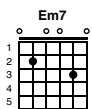

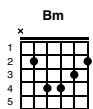

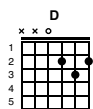

I can't walk away, No, I can't walk away  
For I have seen Your face, No, I can't walk away

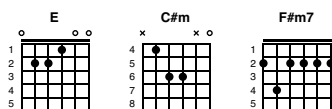

(And) I just wanna be where You are  
I just wanna be near Your heart  
There is nothing like Your love  
There is nothing like Your love
